

CHILD PROTECTION

No child should suffer harm, either at home or school. Everyone who works in our school has a responsibility to ensure that all our children are safe.

This leaflet has been given to you to make sure that you understand what is expected of you as a visitor at our school. Please ask the office staff if there is anything you are not clear about.

.....

FIRE PROCEDURES

In the event of the fire alarm sounding, all visitors should leave the school building, via the nearest exit, as quickly as possible and assemble on the school playground.

.....

Please note that the use of mobile phones is prohibited on the school premises and grounds except for the staffroom. The use of phones in the presence of children is STRICTLY prohibited.
